

Bramshall Meadows First School
Part of Uttoxeter Learning Trust

Admissions Policy September 2024-25

Admission Limits

Bramshall Meadows First School's published admission number (PAN) is 30. To comply with class size legislation there will be a maximum of 30 children in KS1 Classes.

Catchment Area: The catchment area of the school is the Bramshall Meadows & Bramshall Green housing estate.

Admissions Criteria

If the number of applications for admission to the school exceeds the Published Admission Number (PAN), the following order of priority is used to allocate the available places. In accordance with legislation, children who have a statutory statement of special educational need, or Education, Health and Care Plan that names the school must be admitted. This will reduce the number of places available to other applications *Paragraph 1.6 of the code*

- 1) Looked After Children (LAC), Previously Looked After Children (PLAC) and including Internationally Adopted Previously Looked After Children (IAPLAC)
- 2) Children who satisfy both of the following tests:

Test 1: the child is distinguished from the great majority of other applicants either on their own individual medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend the Bramshall Meadows First School rather than any other school.

Exceptional circumstances must relate to the choice of school and the individual child, i.e. the circumstances of the child, not the specific economic or social circumstances of the parent/carer, and be supported by a professional report (obtained by the applicant and provided at the point of application), e.g. social worker, justifying why it is better for the child to attend the Bramshall Meadows First School rather than any other school.

And

Test 2: the child would suffer hardship if they were unable to attend the Bramshall Meadows First School.

Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school. Applicants must provide detailed information about both the type and severity of any likely hardship at the time of application.

- 3) Children who have an elder brother or sister in attendance at the school and who will still be attending the school at the time of the proposed admission date. (For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parent's marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.)
- 4) Children living within the defined catchment area.
- 5) Other children arranged in order of priority according to how near their home addresses are to the main gate of the school setting, determined by a straight-line measurement as calculated using the Local Authority's Geographical Information System.

Where it is not possible to accommodate all children applying for places within a particular category then the Academy will allocate the available places in accordance with the remaining criteria. If for instance, all the catchment area or cluster area children cannot be accommodated at a school, children who are resident within the catchment or cluster area will be arranged in order of priority according to the remaining criteria.

Notes

'Looked after children' are (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989). 'Previously looked after children' are children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. These definitions are set nationally, by the Department for Education.

'Children who have an elder brother or sister - For admission purposes, this includes a child who lives at the same address and either: have one or both natural parents in common; are related by a parents' marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.

'Home-to-school distance' is a straight-line distance between an applicant's home address to the main front gate of the school. Distances are measured using Staffordshire County Council's Geographical Information System (GIS).

A child's 'home address' is defined as the child's along with their parent's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relatives address will not be considered for allocation purposes. Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

It is expected that parents will agree on school places before an application is made, and it may be necessary to request evidence from you to confirm that this is the case. The Trust is not in a position to intervene in disputes between parents over school applications and will request that these are resolved privately.

If a child's home address changes during the admissions process it is the responsibility of the parent/carer to inform the Local Authority immediately.

Tie-break If in the categories 2-6 above a tie-break is necessary to determine which child is admitted, a random allocation will be undertaken by the Local Authority on behalf of the Trust.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc) from the same family tied for the final place. We will admit them all, as permitted exceptions to infant class size legislation and exceed our PAN.

Waiting lists - Where in any year the school receives more applications for places than there are places available, a waiting list will operate. The waiting list will be maintained by the Local Authority on the school's behalf until 31st December.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

Any Parent has a right to appeal against the decision not to admit. Appeals should be made in writing to the Chair of Governors and should state the child's name, date of birth and home address, together with the grounds on which the appeal is made. The Governors will refer all appeals to the independent appeals panel. The Appeals Committee will consist of three members appointed by the governors. The decision of the appeals panel

is final and binding on all parties.

Deferred Entry to Reception Class

Parents may request that their child be admitted to Reception Class on a part-time basis, or that their child be admitted to school later in the same academic year until the child reaches compulsory school age (i.e. beginning of the term after the child's fifth birthday). The effect is that the place will be held for the child in Reception and is not available to be offered to any other child within the same academic year in which it has been offered.

Before deciding whether to defer their child's entry to school, parents should visit the school to clarify how we cater for the youngest children in Reception and how the needs of these children are met as they move up through the school.

Admission Outside of the Normal Age Group

Parents may seek to apply for their child's admission to school outside of their normal age group, for example if the child is exceptionally gifted and talented or has experienced problems such as ill health. In addition, the parents of summer born children may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group to Reception rather than Year 1.

These parents will need to make an application alongside children applying at the normal age which should explain why it is in the child's best interest to be admitted outside of their normal age which may include information such as professional evidence as to why this is the case and why an exception should be made in the case of the child. A decision as to whether this is an appropriate course of action will be made by the Governing Body who will consider the circumstances of the case and views of the Headteacher. Parents do not have the right to insist that their child is admitted to a particular year group.

Admission of Reception Age Children

All pupils are admitted at the beginning of the school year following their fourth birthday.

Admissions Procedure

In response to a request for a place for a child at Bramshall Meadows First School, Parents will be sent the following: -
