

Violets Summer Term Overview

Geography

What is the UK and where in the world is it? This term we are exploring the four countries of the UK, their capital cities and the seas surrounding each country.

Religious Education

We are exploring religious stories and making the connections between the meaning of the story and the way believers are expected to behave.

English

In English we are focussing on full stops, capital letters and formation on the line. Our focus texts are Lubna and Pebble and Yeti and The Bird.

Music

Our Music is exploring "Your Imagination". We will be looking at a variety of genres and compositions including; "Supercalifragilisticexpialidocious" and "A Whole New World".

Design and Technology

We are learning key skills such as peeling, food hygiene, bridge method, food preparation and evaluation this term!

PSHE

This term we are exploring our own emotions. Focussing on jealousy, worry, anger and grief

Science

This term we will be exploring plants! We will be identifying a variety of plants, naming their parts and discovering that water is a requirement for plants to grow!

Maths

In Maths we will explore: multiplication and division; fractions; position and direction; place value within 100; money and time.

History

Our key question is: How did London Change as Result of The Great Fire of London? We will explore where the fire took place, the structure of buildings in London during the 1600s and compare how London has changed after the fire.

Art

Our Art focus will be collage! We will be exploring the work of Susan Schenk to inspire our own pieces of art!

Computing

This term we will be exploring the Bee Bot. We will be investigating programming by giving clear instructions to a bee bot and explaining how it works.

P.E.

This term we are going to learn a new sport: dodgeball! We will practice our ball control skills, passing, throwing and catching and familiarisation with a ball to reach the endpoint of playing a team game!
